

# EXPLORING a FONT

## Activity:

Create an A3 poster that explores the history and characteristics of a particular font. Stick to traditional styles that you can find a history for so that you can include information.

## You must include a demonstration of all the following:

- Colour use (suitability and appeal to the viewer)
- Use a grid (via Photoshop) to line up your text
- Cropping (design element)
- Opacity (Layers palette)
- Definition (not copied from the internet—your own words)
- Use of layers
- Process (screen dumps of your work process—show layers) in workbook
- Progressive printouts of your work (small A4) to show ideas developing
- Your name
